## PROFILE SUMMARY

Highly skilled **Front-End Developer** with expertise in building responsive, user-friendly, and innovative web applications using **React, Next.js, Tailwind CSS, and Firebase**. Experienced in developing **e-commerce platforms, portfolio websites, and interactive landing pages** with a focus on UI/UX design, performance optimization, and cross-browser compatibility. Proficient in modern web technologies and dedicated to continuous learning and improvement.

Additionally, possesses extensive experience in **merchandising and office management**, having worked with renowned organizations in the garment industry. Strong expertise in **buyer account management, production coordination, quality control, and supply chain logistics**. Proven ability to oversee the entire product lifecycle, from development to final shipment, ensuring efficiency and timely delivery.

A proactive team player with a commitment to delivering high-quality work in both **web development** and **merchandising sectors**.

## TECHNICAL SKILL

- **Frontend Development:** HTML, CSS, JavaScript, React, Next.js
- **Styling & UI Frameworks:** Tailwind CSS, Bootstrap
- **State Management:** React Hooks, Context API
- **Database & Backend Integration:** Firebase (Authentication, Realtime Database)
- **Version Control:** Git, GitHub
- **Development Tools:** Visual Studio Code, Figma, Chrome DevTools
- **Responsive Design:** Mobile-first approach, cross-browser compatibility
- **Debugging & Optimization:** Performance tuning, troubleshooting UI issues

## EDUCATION

<b>Frontend Web Development</b> Wit Institute. Dhaka.	2024
<b>Honors Diploma in Centered Networking System</b> NIIT, Dhanmondi, Dhaka	2000 - 2002
<b>Bachelor of Business Administration (BBA) in Management</b> Dhaka International University . Dhaka.	1997-2001

## WORK EXPERIENCE

- **Portfolio Website** – Developed a fully responsive and interactive personal portfolio website using React and Tailwind CSS. Features animations with AOS and optimized performance for cross-browser compatibility.
- **E-Commerce Website** – Built a dynamic e-commerce platform using Tailwind CSS, React, and Firebase. Implemented product listings, user authentication, and cart functionality.
- **Guarder Landing Page** – Developed a security service landing page using HTML and Tailwind CSS, ensuring a professional and modern UI.

- **Tourism Page** – Created a travel and tourism website using HTML and Tailwind CSS, featuring a fully responsive design.
- **Hospital Landing Page** – Built a medical service landing page (Miko Page) using HTML and CSS, incorporating accessibility and modern styling.
- **Import-Export Landing Page** – Designed a corporate import-export landing page with a structured layout and optimized responsiveness.

#### **Merchandising & Office Management (2007 – 2020)**

##### **Sr. Merchandiser – Shanta Group (2015-2020)**

- Managed TOMMY HILFINGER buyer accounts from order initiation to shipment.
- Monitored production, followed up on trims booking, and coordinated sample development.
- Ensured timely shipment and quality control.
- Independently managed buyer accounts from order initiation to shipment.
- Prepared all types of samples and followed up on buyer comments and requirements.
- Developed all sample types to ensure accurate production.
- Prepared TNA charts and attended weekly meetings.

##### **Merchandiser – Rupa Group (2014-2015)**

- Managed buyer accounts, followed up on orders, and ensured on-time delivery.
- Handled yarn & trims booking, P.I preparation, L/C analysis, and import follow-ups.
- Monitored production status and resolved related issues.
- Ensured accurate consumption calculations and timely approvals.
- Monitored product quality and shipment schedules.

##### **Merchandiser – Milky Fashion (2011-2013)**

- Coordinated with factories, handled sampling, lab dips, trims, yarn, and production tracking.
- Ensured timely product delivery and quality control.
- Communicated with factories regarding production and delivery progress.

##### **Production Coordinator & Merchandiser – Anzir Apparels Ltd. (2007-2011)**

- Oversaw production planning, sampling, costing, and supplier negotiations.
- Coordinated production schedules, quality assurance, and logistics.
- Assisted in costing matters and price negotiations.
- Monitored daily production and prepared weekly delivery schedules.
- Communicated with customers regarding production and delivery progress.
- Coordinated with the commercial team on L/C opening, clearing, and forwarding issues.
